

The Right Steps Payment, Cancellation, & Refund Policy and General Policies

We have a Private Indoor Retail Location - Only Open By Appointment!

Physical Group Classes - *Classes may be done in person physically at The Right Steps with your puppy/dog each week. **However**, please read and know our COVID-19 Rules & Policies before attending Class each week as it may change based on County/State/Federal Mandates. **We run small personalized Group Classes.** Basic Training Classes are provided with a 6 Week Written Packet only. The Optional/Complimentary Weekly How to Videos via a Class Private Face Book Group are **not** a paid portion of the Training Classes.

For Online Group Classes - Each Week "How to Videos" will be posted to a Private Face Book Group for your Instruction, you may watch the Videos each week and apply Training in the privacy of your home, as well as post your Videos back to the Group for Instructor Feedback, Comments, and Instruction each week of you applying the Training to your Puppy/Dog at Home. Same great instruction - just via Online vs. In Person. .

***Physical Classes Available Unless**, in the rare event we are again issued a Government Stay at Home Order that includes us (example March 2020 thru May 2020 everyone except Essential Businesses were forced closed), then all Physical Classes will automatically become Online Group Private Face Book Classes, for any and all of their upcoming and/or remaining 6 Weeks. If absolutely no Face Book Account available as an option, you may make a special request for a Google Photo Album Link each week to be provided in lieu of the Private Face Book Group to have access to your Weekly Group Class How To Videos. **No Refunds/No Transfers as it is beyond our control...**

We HIGHLY encourage you 'BEFORE' signing up and before making payment for a Group Training Class and/or a Private Training Session to contact us in advance to make an Appointment to watch a current Training or K9NW Class Wk #2-thru-#6 in session without your puppy/dog – although it is not required – it is encouraged. **Why you may ask? We want you to want to train with us!** Taking the time to do your homework in advance, helps you pick the right Trainer for you and your family out well in advance of signing up – a win/win for all!

Signups and payments may be made online or by USPS mail. Payment may be made by Check, Cash, or Credit Card. Once Sign Up and Payment is received in full, we e-mail out Class Confirmations and Details normally the week before your Class is to start. Class Confirmations and Details are e-mailed out only on Wednesdays, Thursdays, and Fridays.

If your requested class day/date is available, but your preferred time is not available, we will place you in the other time space for that same class date/day, if it is available (for example during the week we run a 7:00p.m. or a 8:15p.m. class for both Surviving Adolescence and Surviving Puppyhood). Or if we only have enough students to run 1 of the 2 classes, your adjusted class time will be provided in your Personal e-mail of your Class Confirmation & Details.

Please be aware Class Start Dates may change, be pushed out a week, for example (but not limited to) in the instance the Trainer is out ill or we are waiting for the classes to finish filling. We thank you in advance for your flexibility and understanding in your schedule. We try to avoid changes of Class Start Dates, but occasionally it may occur. Students who have signed up and paid are notified via e-mail their Individual Class Confirmations & Details of the change. **Client solely is responsible to check e-mail before each and every Class. When signing up please allow and plan flexibility in your schedule; there are no refunds for date adjustments.** If for any reason a Class is cancelled the Client will have the option of transferring to another like Class or receiving a refund. It is extremely rare for a Class to be canceled.

However, if you're requested Class is full, in both classes' times, you will be notified by e-mail and we will put you on our waiting list, in order of applications and payments received. If a space opens up and we can put you in the class after-all, you will receive an update by e-mail and then Class Confirmations and Details will be e-mailed out (on Wednesdays, Thursdays, and Fridays). If it is still unavailable you will have the choice to move to a different Physical or Online Class/Date/Day/Time or request a refund due to unavailability of the full Class.
