*renaissance n. a revival or rebirth,
especially of culture and learning*

What if we told you... You don't need to be your dog's pack leader to be in control of your dog?

What if we told you... You don't need to give your dog 'corrections' when you are training her?

What if we told you... You don't need to shout at or punish your dog in any way to have a well-mannered pet?

What if we told you... There is a kinder, gentler and more effective way to train?

It's time to re-think the way we train and relate to dogs!
